

CHECK-IN and OUT PROCEDURES for HUNTING and SCOUTING

JBSA does not have a reservation system. Hunters are able to check-in online starting at 0001 each day. Even though you are checked-in on-line you DO NOT have permission to be on JBSA-Camp Bullis outside of the cantonment area until you physically check-in at RNGRC and get a parking pass for that day.

- Online check-in prior to 0530 but not physically checked-in by 0730 results in loss of assigned occupancy slot.
- Online check-in after 0530 but not physically checked-in 2 hours after your on-line check-in results in loss of assigned occupancy slot.

Our busiest check-in times are 0530-0730 and 1200-1400, plan accordingly.
